One sunny spring day while we were enjoying the beauty of nature by a lake, a question arose: How can we share with the world all of the incredible, heart-centered entrepreneurs we have been so blessed to connect with over the years? Once the question was out, the answer came quickly and easily and, being the doers that we are, we acted swiftly to implement the resulting plan. This book is the answer to that question, the result of those actions, and the product of that plan. We have contacted and interviewed all of the truly authentic, heart-centered business owners we know. As you read their answers to the illuminating five questions we asked each participant, you'll get to know them and when you find a need for the service they offer, you'll have their contact information right here in this book.
