It can become a reality if the right steps are taken and you have a partner who is willing to help you fulfill that fantasy. That is exactly what happens to the protagonist in The Hunger. She has made a number of attempts to fulfill her ultimate fantasy as she is a sexually fluid individual. Her first attempt did not work as her partner was not into what she wanted. He was not that nice to her and made her change and become withdrawn. She gets a new lease on life with her second marriage. He loves her unconditionally and is willing to help her fulfill her fantasies as it thrills him too. Read and let the story unfold as you turn the pages to learn how she gets the ultimate sexual experience.
