Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Recent Advances in the Physiology of Motion, the Senses, Generation and Development: Being a Supplement to the Second Volume Professor Muller s Elements of Physiology; At an early period after the publication of the last part of the English edition of Professor Muller s Physiology, it became necessary to reprint the second volume of the work; a second edition of the first volume having already been issued. The second volume did not then need complete revision and re-editing; it was therefore reprinted with only a few verbal alterations. But it was determined that, after a certain lapse of time, there should follow a Supplement or Appendix, containing later information on the subjects treated of in the most important portion of the volume, namely, that portion comprising the Physiology of Generation and Development; and reference was made to such an Appendix in several pages of the reprinted volume. In accordance with this plan, I was occupied during part of the winter of 1815-6, with preparing an account of the advances made in the course of the...
