

Robochildren: The Tussin Generation (Paperback)

By James Hunt

Createspace, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Every decade has its version of the subculture. The 50s had the beatniks with their restless Benzedrine wanderings, the 60s had the hippies with their LSD-inspired politics, the 70s and 80s led into the cocaine riddled noses of punks and hair metal, and the 90s destroyed lives with heroin and prescription drug addiction - but always there was the idea of capturing moments of great depravity in writing. The counterculture of the 2000s grabs a bottle of cough syrup off the shelf and says, Eh, fuck it. Based on the author's real experience, RoboChildren documents that mentality like nothing before it. What brand of mayhem sits in your medicine cabinet? On the surface, RoboChildren is a story of a group of teenagers abusing drugs - particularly DXM, the active ingredient in everyday cough syrups - to satisfy adolescent angst and the need to rebel. But underneath, it is an ode to the existential struggles of today's youth, who are turning to more dangerous behaviors in an attempt to define themselves in a cruel universe. The narrator,...

Reviews

This is actually the finest ebook we have go through until now. It is writter in straightforward words and phrases instead of difficult to understand. Its been designed in an remarkably straightforward way and is particularly just following i finished reading through this book by which basically changed me, change the way in my opinion.
