ALICE IN WONDERLAND MADE SIMPLE FOR KIDS

Ishi Press. Paperback. Book Condition: New. Paperback. 120 pages. Dimensions: 10.4in. x 8.3in. x 0.3in. Alice in Wonderland made simple for kids Adopted from the original by Lewis Carroll with all of the Original Drawings by John Tenniel Alice in Wonderland was originally a story told to three little girls aged 8 to 13 during a boat ride in 1865. One of the little girls was named Alice. She asked the story-teller to write it down and later on he did. Eventually, it was published and immediately it became a great sensation. However, the story is complex and difficult to follow. Few children can read and understand it, especially since it is filled with puzzles, riddles and logical problems. At the same time, the story line of the original has been followed faithfully. All of the original characters are still here. All of the 42 drawings in the original work are used. The length has been greatly reduced mostly by reducing the lengthy dialogues. Yet, the flavor of the conversations has been preserved. It is hoped that even adults will find this book useful, as the original work...
