Endocrine Pathophysiology (Paperback)

By Eric I. Felner, Guillermo E. Umpierrez

Lippincott Williams and Wilkins, United States, 2013. Paperback. Book Condition: New. 251 x 175 mm. Language: English . Brand New Book. Endocrine Pathophysiology offers a comprehensive introduction to diseases of the endocrine system. Rather than providing an overwhelming amount of content on one subject, this book serves as a bridge between basic endocrine physiology and endocrine disorders. Included in the text are case studies covering a variety of endocrine disorders in both inpatient and outpatient settings. With the changes in many medical school curriculums to a clinically-based curriculum, this book provides a cutting-edge approach to endocrine pathophysiology.

Reviews

A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. You may like just how the article writer compose this ebook.

-- **Prof. Elliott Dickinson**

These types of publication is the ideal ebook readily available. It can be loaded with wisdom and knowledge Its been developed in an extremely simple way and it is just following i finished reading through this publication in which actually altered me, affect the way i believe.
