NONE THAT I KNOW OF ITS NEVER TOO LATE TO START A FAMILY

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 88 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. The words None That I Know Of are intended as a humorous response to the question Do you have any children from men who want to express that they are virile and sexually potent. Two and Half Men meets Love Story is the simplest way of describing None That I Know Of. It is the story of one mans incredible journey, my journey, to find a child or children I dont know of. After years as a single dad and a series of serendipitous relationships, tragedy struck. A motorcycle accident claimed the life of my only child Joey, my clone - the sunshine of my life. I cant replace Joey, but I miss being a father and hope there is a child looking to unite with a father he knows exists. To make this all possible I created the website, NoneThatIKnowOf. com, where I ask mothers, if for some unknown reason after our serendipitous encounter a child was conceived and you were unable to locate me - or you choose not to, I am looking to be found. To make it easier to be found the website consists of photos and details of my life through the years. I have also reached out to adopted children asking them, If you look like Joey or me, you may be my child. Eventually I received seven responses that offered hope, heartbreak and tears of joy. This is the story of seven encounters: a child acknowledged, yet maybe lost to adoption; a mother who informs me of a daughter. but shields the truth to avoid a scandal and another woman who uses blackmail to divulge my childs and grandchilds identity. But...
