Software Configuration Management Strategies and IBM Rational ClearCase: a Practical Introduction (Paperback)

By David E. Bellagio, Tom J. Milligan

Pearson Education (US), United States, 2005. Paperback. Book Condition: New. 2nd Revised edition. 232 x 178 mm. Language: English . Brand New Book. I wrote that the first edition of this book communicates much of the experience, wisdom, and insight that was acquired along the way to discovering what SCM best practices are and how to implement/deploy them. The second edition is full of even more practical experience! It not only refines and expands upon earlier strategies and best practices, it also contains even more concrete how-to information about implementing and deploying them. --Brad Appleton co-author of Software Configuration Management Patterns: Effective Teamwork, Practical Integration Read this book when you re getting started with configuration management (CM); read it again in six months and once more two years later. Software Configuration Management Strategies and IBM Rational ClearCase goes beyond the basics to provide a coherent review of CM strategies for projects of all sizes and complexities. --Jennie Brown, CM Specialist IBM Corporation This book covers practical software configuration management (SCM), ClearCase UCM and ClearCase use for project teams. Every project lead and SCM specialist should (re)read this book before starting a project. --Roger Jarrett, Senior Software Engineer IBM Rational Software...
