The prepared statement of Senator McCain follows: Prepared Statement of Hon. John McCain, U. S. Senator from Arizona We continue with the second panel of todays hearing to examine the qualifications of three individuals nominated by the President to serve as members of the Federal Communications Commission. We welcome this morning FCC nominees Kathleen Abernathy, Michael Copps, and Kevin Martin, their family members and guests. Together with Michael Powell, who will continue as Chairman of the Commission, these individuals, if confirmed, will guide American telecommunications policy into the digital age. I congratulate the nominees on the talent and dedication that has brought them the recognition they enjoy today, and I appreciate their willingness to undertake the tremendous responsibilities of serving as an FCC Commissioner. They are outstanding individuals with diverse individual talents and deep collective expertise in telecommunications. These talents and expertise will prove particularly important as the FCC continues to confront the tremendous challenges that face us in the digital age, and to address the issues raised by the rapid changes taking place in the telecommunications industry. Ms. Abernathy has an extensive background and experience in telecommunications both at the FCC, where she served as legal advisor to two FCC commissioners and served in the Office of the General Counsel. Recently, Mr. Copps served as the Assistant Secretary of Commerce for Trade Development. Mr. Martin was also a staff member at the FCC, serving as Legal Advisor to Commissioner Harold Furchtgott- Roth. Each one of these individuals brings to the Commission years of experience and knowledge of the issues. I commend each of them for their commitment to serve their...
