Brand New Book ***** Print on Demand *****.Excerpt from Friday Night Papers, Second Coming, and Other Expositions The following Papers were written during the summer vacation, and sent each week to the prayer-meeting. The Topics were given by a committee from the Young People s Association, and were intended to form the subjects of general testimony. No attempt at elaboration was made; much that was suggested to the mind was kept back from the pen. The main endeavor was to be topical and direct, as the occasion demanded. When the public services of the church on the Lord s Day were suspended, it was felt that the weekly prayer-meeting should be kept open, as an opportunity for those whose duties made it necessary for them to remain in the city during the heated term; it was thought that such a meeting might keep alive spiritual interests, form the nucleus for the constant agitation of spiritual desires, stimulate work for the coming fall, and be always a refuge for those otherwise deprived of their regular church privileges. The Pastor also felt that if he should write a paper on the weekly theme, send it and have it read, he would, although absent in body, be present in spirit and word, and thus witness to the people that he had not forgotten them; at the same time he believed that such a work would keep him in living communion with them, and be a reinforcement to his own spiritual needs.
