Tate Publishing. Paperback. Book Condition: New. Paperback. 64 pages. Dimensions: 7.1in. x 5.0in. x 0.4in. Have you questioned God about things happening in your life Have you ever asked God where He is God is always there, and you are never alone. The stresses of everyday life can make this world grow dim, even if you are a believer, and put your trust in God. In Gods Truths vs. Mans Facts, I have laid out how Gods truths can override mans facts in any given situation. It is alright to ask God questions. I believe that God is the source of our strength, and He has all the answers to any questions. I felt that God wasnt around and had left me. It took divorce, repossession, almost being homeless, and a barrage of other misfortunes to see that God never left. Rather, He has always been with me through everything. I panicked and made bad decisions during this period, but then I started to focus on God, and not on man. Man will try to tell you what to do and how to do it; this will cause you to lose your focus on God. When I started to put all my energy in God and closed out every other sound or voice, then everything started to come alive. I could see clearly. I could say that I did it on my own or made it through my hardships without God, but that would be a lie, and God says that is one of the things He hates. I give God thanks and praise daily for all that He has done, for He has taken me from the valley and placed me on the mountain top. This item ships from multiple locations.
