A very great ebook with perfect and lucid answers. It can be packed with wisdom and knowledge I found out this book from my dad and I encouraged this publication to learn.

Greenleaf Publishing. Paperback. Book Condition: new. BRAND NEW, Cranfield on Corporate Sustainability, David Grayson, Nadine Exter, Cranfield University, Business schools have a special contribution to make in developing globally responsible, critical and independent-thinking future leaders and managers. In fact, the Cranfield School of Management acknowledges this as one of its important responsibilities. Its core ideology is to transform the practice of learning and create leaders who action their knowledge and become stewards of the common good. Such thinking forms the basis of this book and its theme of developing responsible and ethical leaders for next-generation enterprises. These leaders will be passionate, purposeful and responsible; their primary aim will be to make a difference in the lives of people and create sustainable value premised on sound ethical values. This book aims to provide a roadmap both for business students - the leaders of tomorrow - and for existing and engaged leaders who need support, coaching and counselling to address the challenges of the sustainability agenda. With contributions from more than 30 Cranfield faculty and associates across multiple management disciplines, the book emphasises the need for cross-disciplinarity when confronting sustainability dilemmas. Many corporate responsibility practitioners find themselves isolated from core business issues. Conversely, many managers in traditional departments have little or no knowledge of what sustainability and corporate responsibility means to their day-to-day role. Today, there is an urgent need for learning, for conversation and for sustainability to become embedded throughout an organisation's DNA. Cranfield strives to prepare its students for a work milieu that is increasingly complex, diverse, technologically interconnected, socially networked and where economic and political power shifts see emerging-market economies assuming significant global prominence. This makes for exciting challenges but also requires new mind-sets for the next generation of business men and women. Corporate responsibility, and the tough ethical...
