Dodo Press, United Kingdom, 2009. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Thomas Paine (1737-1809) was an English pamphleteer, revolutionary, radical, inventor, and intellectual. He lived and worked in Britain until age 37, when he emigrated to the British American colonies, in time to participate in the American Revolution. His principal contribution was the powerful, widely-read pamphlet *Common Sense* (1776), advocating colonial America's independence from the Kingdom of Great Britain, and *The American Crisis* (1776- 1783), a pro-revolutionary pamphlet series. Later, he greatly influenced the French Revolution. He wrote the *Rights of Man* (1791), a guide to Enlightenment ideas. Despite not speaking French, he was elected to the French National Convention in 1792. The Girondists regarded him as an ally, so, the Montagnards, especially Robespierre, regarded him as an enemy. In December of 1793, he was arrested and imprisoned in Paris, then released in 1794. He became notorious because of *The Age of Reason* (1793-94), the book advocating deism and arguing against Christian doctrines. In France, he also wrote the pamphlet *Agrarian Justice* (1795), discussing the origins of property, and introduced the concept of a guaranteed minimum income.
