DON T DROWN BLACK BOY: A MEMOIR OF UNRELEGATED LEADERSHIP (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Success never comes all at once. You have to work for it, achieving your life s small and immediate goals while reaching for the stars with the help of the divine. Markeith L. Porter s life exemplifies this combination of hard work and faith. From his birth in a trash bag outside his grandmother s house to his service in the US Navy, Porter describes the events that molded him from a child into a Christian, sailor, professional, and man. Scriptural passages intersperse his short, often poignant, reminiscences, reinforcing the morals taught by each memory. This is the story of a man whose leadership skills shaped his life and worldview. Porter s experiences offer a yardstick against which young people can measure their own development and find direction to assist in shaping their life. Chief among Porter s ideals is the notion of the humble hawk-combining the keen intellect and awareness of the hawk with a meek, respectful nature. Unlike the bully, who lashes out at anything, the humble hawk constantly assesses situations, judging the best time to intercept and engage with others. Lighthearted but informative, Don t Drown Black Boy chronicles a life well lived in service to family, country, and God.
