MASTERING GOOGLE APP ENGINE (PAPERBACK)

Packt Publishing Limited, United Kingdom, 2015. Paperback. Book Condition: New. 235 x 190 mm. Language: English . Brand New Book ***** Print on Demand *****.Build robust and highly scalable web applications with Google App Engine About This Book * Get an in-depth look at how Google App Engine works under the hood * Design and model your application around Google s highly scalable distributed NoSQL datastore to unlock its full potential * A comprehensive guide to ensure your mastery of Google App Engine Who This Book Is For If you have been developing web applications in Python or any other dynamic language but have always wondered how to write highly scalable web applications without getting into system administration and other plumbing, then this is the book for you. No experience in writing scalable applications is required. What You Will Learn * Scale and develop your applications with Google App Engine s runtime environment * Get to grips with request handling mechanism and write request handlers * Deep dive into Google s distributed NoSQL and highly scalable datastore and design your application around it * Implement powerful search with scalable datastore * Perform long-running tasks in the background using task queues * Write compartmentalized apps using multi tenancy, memcache, and other Google App Engine runtime services * Handle web requests using the CGI, WSGI, and multi-threaded configurations * Deploy, tweak, and manage apps in production on Google App Engine In Detail Developing web applications that serve millions of users is no easy task, as it involves a number of configurations and administrative tasks for the underlying software and hardware stack. This whole configuration requires not only expertise, but also a fair amount of time as well. Time that could have been spent on actual application functionality. Google App Engine allows you...
