THE REVELATION: THE PEACE MACHINE HYPOTHESIS

The Peace Machine Press LLC. Paperback. Book Condition: New. Paperback. 314 pages. Dimensions: 9.0in. x 6.0in. x 1.4in. After reading this book, you will understand the needs and motivations of your family, friends, spouse, employer, and children in a way that will allow you to change your life and theirs! How As the evolutionary product of our planet, we are born with imprinted behavior patterns that were once crucial for survival. Today, these inherited behavior patterns remain strong, initiating most of our actions. Yet, they are often at odds with alternative behaviors that would better benefit us. The Revelation introduces mankind to Market Fences, a radical new form of anti-trust regulation that will improve mans collective marginal productivity so he can face the challenges of oil supply depletion, environmental pollution, poverty, disease, famine, and war with the necessary wealth and know-how to avoid an otherwise unavoidable population die-back. Your journey goes beyond an exploration of human brain evolution and our experience on planet Earth. You will discover how our economy really works, and read the Revelations detailed explanation as to the origins of the Universe. These origins are all containedrevealed from mathematical concepts and principles, brought to us (humanity) for interpretation in the form of colorful 3 dimensional images, gas clouds actually. God is love. This abstract idea is contained in the images which are the inspiration for this book--along with the mathematical concepts necessary to prove that idea, namely, that asuper-consciousness exists, that it designedcreated our universe to make evolution possible (Evolutionchange, change is the opposite of complete determinism, the only alternative to the universal arrangement we are actually in). None of this contradicts the scientific principles of Newton, Einstein, the Uncertainty Principle, Chaos Theory, or the String Theory. In fact, for the physics inclined reader, it ties these theories...
