Brand New Book ***** Print on Demand *****. under free thought you put, we are told what's right, and leave it there. under freedom you put, we are only allowed to do what the law says, yes but you didn't put that our law is perfect; or how freedom can lead to mistakes. -Mr. Garlvar A lot of the rules we have, affects us. when you move outside the lines so much as a foot, if your thoughts go outside the box or even touch the sides of the box. the law is supposed to keep us safe. but really it turns us into criminals and keeps us from moving anywhere in life. - Max Can human error be understood, controlled and modified by math and science? Four young men live in a world where reality is only what the law crafted it to be. Like most they have never seen their world any different. instead they coasted along making a music band and finding what makes them individuals. Of course free thought and individuality leaves room for error. but...
