

Encyclopaedia of Indian Natural History - Centenary Publication of the Bombay Natural History Society 1883-1993

By R.E. Hawkins (ed.)

Oxford University Press, New Delhi, India, 2000. Hard Cover. Book Condition: New. Dust Jacket Condition: New. First Edition. 'easily understood by the non-zoologist' IBIS 'The volume is well illustrated with photographs in colour and black-and-white, with line drawings and diagrams and maps, and it is very well printed. The Encyclopedia is more than a celebration: it is a challenge to the next generations to continue the work and to ensure that the wonderful fauna and flora of India will survive for others to study and enjoy.' TLS 'magnificent undertaking . a book which the Society can be justly proud of . a wonderful thing to browse through and is highly recommended . All will find it a very readable and attractive reference source for all manner of aspects of natural history.' the Phoenix An immense amount of information on India's teeming plant and animal life has accumulated since the foundation of the Bombay Natural History Society in 1883, and much is recorded in the thousands of pages of its Journal. This one-volume Encyclopedia of Indian Natural History is written by experts and non-experts in an unambiguous, easy style. No other comparable work on the Indian sub-continent has so far been...

Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
