

Introduction to the Study of Sociology (Classic Reprint) (Paperback)

By Edward Cary Hayes

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Introduction to the Study of Sociology This is an elementary textbook with the limitations which that fact implies. It is intended for the use of classes and also for general readers who desire a clearer view of the field of thought designated by the much used word sociology. Such a book must aim to serve two purposes. First, it must present as much as space permits of the accepted results of study in this field, to the reader who may have no further formal instruction in sociology, and whose further progress will be gained by independent thought and reading. Second, it must afford to the student, who will pursue more intensive courses in subdivisions of sociology, an outline of the entire field, and a sense of the relation of those special topics, which he may later study more intensively, to the subject as a whole. Each of these purposes requires the elementary textbook to be compendious so as to afford a view in perspective. The best books in sociology have been written by men who...
